

GOLD INVESTMENT

PORTFOLIO MANAGER

Gold Investment Management Ltd., a registered portfolio manager, offers exchange traded fund (ETF) model portfolios, equity, fixed income and alternative asset management services to individuals, physicians, corporations, pension funds, charitable foundations and trusts. Our guiding principles are integrity, discipline and results. Established in 2007, Gold Investment Management currently serves clients in Alberta, British Columbia, Saskatchewan, Manitoba, Ontario and Quebec. Gold Investment Management also serves clients in the United States where we are licensed as a registered investment adviser with the U.S. Securities and Exchange Commission. The minimum investment size for new accounts is \$100,000 of investable, household assets.
